INTRODUCING **New-Era** "Beer Party"

The season of annual Beer Party hosted by New-Era has come again this year!

The party was held on the roof of a department store, which is called "Beer Garden". The Beer Gardens open only during summer season and very popular among Japanese people. About 200 guests were invited and they all enjoyed drinks, special foods, and games. Drinking an ice-cold beer under the flaming sun was awesome.

Thanks to New-Era's great preparation and heart-warming hospitality, we were able to spend a very good time altogether. We all can't wait for the one next year!!
