

## Co-Robot of Mitsubishi Electric Corporation MELFA ASSISTA series Compatible Air Gripper

MELFA  
assist<sup>a</sup>

New  
Product

HP04VR-20C-ASSISTA

## ● Easy Installation

### STEP 1

To mount Adaptor  
of Exclusive Use

### STEP 2

To mount Gripper Body

### STEP 3

To fix Cover and Connector

### Finish

To connect Air Piping

## ● Safety Design

With ABS Protect Cover

With Protect  
Rubber Sheet

## ● Convenient Function

Enable to fine  
adjustment of switch

One-touch operation of  
Open/Close Speed  
Adjustment

## Model Code

## Specification

HP04VR-20C-ASSISTA-A

### ● Input - Output Type

Code	Type
A	Source
Non	Sink

Operation Type	Double Acting
Cylinder Bore	Φ 20 mm
Open/Close Stroke	14 mm
Effective Gripping Force(N)	Close 48 ,Open 65 (P=0.5MPa,L=50mm)
Speed Adjustment	Exhaust Valve with Silencer
Product Mass(g)	950(Whole Product Mass)
