ANNOUNCEMENT OF REVISION OF STANDARD PRICE

We sincerely appreciate for your continued co-operation. This is to announce to all our customers. Due to the forced circumstances, we need to revise standard price for 3 series of our high accurate ball spline cylinder. We sincerely apologize for any inconvenience caused.

We have been tried to keep standard price, but now it is difficult situation to maintain the current standard price with only our efforts due to bankruptcy of suppliers for those years. Hence, we are forced to review current standard price unfortunately.

Your thoughtful understanding is highly appreciated. Even though with this difficult situation, we hope you could support our products from now on too.
