Dear Valued Partners

New-Era Co., Ltd
Sales Department, Pneumatic Group

ANNOUNCEMENT OF STANDARD PRICE REVISION AND
APPEARANCE ALTERATION FOR PPT-GT6Y SERIES

We sincerely appreciate for your continued co-operation. This is to announce to all our customers. Due to the forced circumstances, we need to revise standard price for only 1 series of PPT-GT6Y series this time. We have been tried to keep standard price, but now it is difficult situation to maintain the current standard price with only our efforts due to bankruptcy of suppliers for those years. Your thoughtful understanding is highly appreciated.

Also, a part of appearance will be altered. Although we were using different body for TP, PP, and LP type, they will be integrated into one common body. There will be no effect for the quality and performance of product due to only alteration of appearance caused by integration. Appearance Alteration Drawing is attached.

Even though with this difficult situation, we hope you could support our products from now on too.
