ANNOUNCEMENT OF REVISION OF STANDARD PRICE

We sincerely appreciate for your continued co-operation. This is to announce to all our customers. Due to the forced circumstances, we need to revise Standard Price for some series. We sincerely apologize for any inconvenience caused.

We have been tried to keep standard price with asking co-operation of price revision to some partners, but now it is difficult situation to maintain the current Standard Price with only our efforts due to several bankruptcy of suppliers and increasing of material costs. Hence, we are forced to review current Standard Price unfortunately.

Your thoughtful understanding is highly appreciated. Even though with this difficult situation, we hope you could support our products from now on too.
